

Ben Barto presented a check for \$1520.75 to the VFW Ramar Post #10056 in Dubois Wyoming from antlers that were donated to the post by Fritz and Connie Meyers. Barto then purchases the antlers for knife making and the money generated stays at the local post to help Veterans in need.

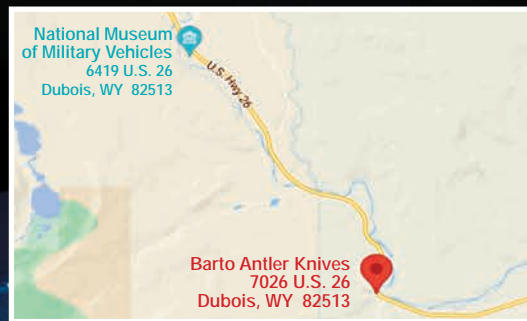

In 2018 we discounted a package custom steak knife set along with a collector knife to the Denver Co, Chapter of the Healing Waters Foundation annual fundraiser banquet. It generated \$5,000 in the live auction and we have built a steak knife set every year for there program.

Our Mission

To train and secure employment for Veterans through the production and sale of Antler products.

Brave Experience is building a brand to last a lifetime and have a positive impact on the world by honoring and celebrating American hero's. As a brand we-strive-to recognize, honor, encourage, edify and empower those-who have served or are serving our country by giving them a dream experience. Despite their demonstrations of bravery and courage, their stories all too often go unrecognized and under celebrated. Our intention is to motivate the consumer, with this lifestyle brand, to consciously align themselves with our brand that seeks to show the military and- first responders communities the honor they so richly deserve. We want to inspire a culture of gratitude and provide people with opportunities to join together and lift up our American heroes. 5% per sale Giveback. Use promo code BARTO to receive 10% off your order.

OUR VETERANS NEED YOUR HELP

Barto Antler Knives with 45 years of experience in purchasing and selling antlers hires and trains Veterans or families of Veterans to build knives and various other antler products. We offer an innovative combination of hand selected gem stones, ivory, silver and gold placed in stainless or Damascus steel knives.

Throw a laser etched image on the handle or the blade and we have taken your knife to a new exciting level of expertise for your business, organization or personal collection. Our products are made and sold with the same honor, pride, and dignity as our Veterans. "Anyone can build a knife, but we turn it into a piece of Art" Ben C. Barto.

Percentages of both Wholesale and retail revenue are then donated to the Horns for Heroes Foundation that was founded and launched in 2016 by Ben and is now a 501c3 non-profit moving toward a national goal.

Steak Knife Set

In 2020 we were awarded the contract of 500 knives for the Rocky Mountain Elk Foundation 2020 Banquet Edition knife in which we had to number each knife 1/500 that were distributed to RMEF Chapters throughout the Country. We have also just submitted samples for the 2021 version.

In 2020 we were commissioned by Tony McDaniel commander of the

Ira Hayes American Legion post 84 in Sacaton AZ. to build a commemorative 75th Anniversary knife of the flag raising on Iwo Jima. They used it as a fundraiser for the lodge which brought over \$1000 and since has ordered 2 more knives.

In 2018 we were commissioned by the American Legion Archie Hay Post 24 from Rock Springs Wyoming to build an Appreciation of service award to Samuel T. Holiday one of 2 remaining World War II Navajo code talkers which were extremely instrumental in saving lives. I had the honor of meeting Mr. Holiday at the award ceremony. Mr. Holiday is no longer with us and may he rest in piece.

This year the Combat Veteran Association is holding their National convention in Sheridan Wyoming which we have obtained a booth and a 3 year licensing agreement for the use of their logos. We have an RMI high fiber optic laser machine for custom personalization of our metal blades and a Epilog CO2 machine for lasering on leather, wood, antler, and plastics.

RMI High Fiber Optic for lasering metal

Epilog CO2 for lasering antler, glass, wood and plastic.
